

WEBSITE STRUCTURE OVERVIEW

The website should function as both:

- A professional internship experience platform
- A student management & learning portal

The complete workflow should feel similar to a modern internship ecosystem with onboarding, learning access, batch scheduling, submissions, certification, and verification.

HEADER NAVIGATION

The top navigation bar should include:

Main Navigation Menu

- Home
- Internships
- Courses
- Programs
- Verification
- Login

Programs Dropdown Structure

Under **Programs**, include:

- Industry
- Duration
- Regions

Region Options

- Ireland
- United Kingdom
- Germany
- Finland

Duration Options

- 3 Months
- 6 Months
- 9 Months

Login

Students receive a unique internship code after enrollment.
This code will be used to access the student portal.

HERO SECTION (UPDATED)

Headline

Build Real Industry Experience Before Your First Job

Subheadline

Join structured startup-style internship programs designed to help students gain practical exposure, teamwork experience, portfolio projects, and industry-ready skills.

CTA Buttons

- Apply Now
- Explore Programs

Short Company Overview

Briticana is an execution-focused experience platform where students collaborate on real-world projects under guided mentorship and structured workflows inspired by modern startups and professional teams.

DOMAIN / INDUSTRY SECTION

Explore Internship Domains

Students can choose from multiple industry-focused learning tracks.

Domain Cards

- Data Analysis
- Human Resources (HR)
- Software Development
- UI/UX Design
- Digital Marketing
- Business Operations
- Product Management

- Cybersecurity
- Cloud & DevOps
- AI & Automation
- Finance & Research
- Sales & Growth

Each domain card should include:

- Domain overview
 - Skills covered
 - Tools used
 - Internship duration options
 - Available regions
-

INTERNSHIP & COURSE SECTION

This section should contain:

Internship Cards

Each internship card should display:

- Internship Title
 - Duration
 - Country/Region
 - Domain
 - Batch Start Date
 - Internship Overview
 - Apply Button
-

BATCH & CALENDAR WORKFLOW

A dynamic calendar should appear on the right or left side of the internship listings.

Batch Rules

- New internship batches start every Monday
- Internship activation requires a minimum waiting period
- Students cannot join immediately after applying

Batch Logic

If a student applies today:

- Internship start date should only appear after a minimum waiting period
- The system should calculate the next available Monday after 25 days from the application date
- That Monday becomes the student's official batch start date

Example Workflow

If a student applies on:

22 May 2026

Then:

- Add 25 days
- Find the next Monday after that date
- Show that Monday as the internship start date

This ensures proper onboarding and batch management.

INTERNSHIP DURATION STRUCTURE

Inside each internship domain, students can choose:

Duration Cards

3-Month Internship

Available Regions:

- Ireland
- United Kingdom
- Germany
- Finland

6-Month Internship

Available Regions:

- Ireland
- United Kingdom
- Germany
- Finland

9-Month Internship

Available Regions:

- Ireland
- United Kingdom
- Germany
- Finland

Each card should include:

- Region
 - Duration
 - Skills covered
 - Certification details
 - Project structure
 - Apply button
-

STUDENT PORTAL WORKFLOW

After successful registration:

- Student receives a unique Internship ID / Access Code
 - Student uses this code inside the Login section
 - Login opens the personalized student dashboard
-

STUDENT DASHBOARD FEATURES

Dashboard Modules

Learning Materials

Students can access:

- Recorded sessions
- Internship tasks
- Weekly assignments
- Documents
- Project guidelines
- Mentor instructions

Progress Tracking

- Internship duration tracker
- Task completion status

- Attendance/progress
- Submission eligibility

Team Collaboration

- Group discussions
 - Mentor updates
 - Sprint tasks
 - Project milestones
-

SUBMISSION ACCESS CONTROL SYSTEM

Submission access should be locked initially.

Students can submit final internship deliverables only during the final phase of their selected duration.

Submission Rules

3-Month Internship

Submission unlocks:

- At the beginning of Month 3
- After completing 2 months

6-Month Internship

Submission unlocks:

- At the beginning of Month 6

9-Month Internship

Submission unlocks:

- At the beginning of Month 9

Until then:

- Submission button remains disabled
 - System displays countdown/progress tracker
-

FINAL SUBMISSION REQUIREMENTS

Students must upload:

- Project files
 - Documentation
 - Presentation PPT/PDF
 - Self-introduction video
 - Project explanation video
-

CERTIFICATION WORKFLOW

After mentor review and successful evaluation:

Students receive:

- Experience Certificate
 - Performance Evaluation
 - Internship Completion Status
 - Portfolio Verification
 - LinkedIn-ready project proof
-

VERIFICATION PAGE

A dedicated Verification page should allow companies or recruiters to verify internship authenticity.

Verification Workflow

- Enter Student Internship ID
 - Display:
 - Student name
 - Domain
 - Duration
 - Region
 - Completion status
 - Certificate authenticity
 - Mentor evaluation status
-

FOOTER SECTION

The footer should contain:
